HILLTOP TEAM TO PLAY V. P. I.

Blacksburgh Eleven Prepared to Give Georgetown Real Battle.

Georgetown's contest with the Virginia Polytechnic Institute this afternoon on the Hilltop campus should produce better football than any game which has been played here in years. From all reports the Blacksburg institution is sending up the strongest squad that has represented it on the gridiron in many seasons, and the players are confident that they will humble the Blue and Gray.

case big back field are sprinters of the beauty together with being wonderful open field runners.

V. P. I. has a well coached team. Charley Bernier has been more successful in directing football squads than any other branch of athletics. No one questions that V. P. I. had one of the best elevens in the South last war as it trimmed Washing. last year, as it trimmed Washing-ton and Lee, North Carolina Uni-versity, and North Carolina State, and won every game it played. Georgetown's offense is difficult

to stop. It may be stopped for a few minutes, but it has the quality of gradually wearing down a defense until it crumbles. That was the case against West Virginia.

First rand—Ton Moore Bannockton. Wesleyan and the same thing may be true in this contest. But with big fast backs and a nowerful line big fast backs and a powerful line V. P. I should make a great deal more trouble than Georgetown is looking for. The game will start at

STATE TEAM PLAYS

WEST VIRGINIA TODAY

The Maryland State footballers eleven will be ready for the battle today with West Virginia University at Morgantown. Coach Bryd said that he would have a good chance to defeat the West Virginians in this contest but he realizes he is up against a strong combination, which will take the best of football playing by State to hold the University boys in check. State will use the same line-up that State will use the same line-up that was started against University of Vir-ginia last Saturday.

NAVAL ELEVEN WILL PLAY SEAMEN GUNNERS

The Navy Yard football squad is all primed for the game with the Seamen Gunners' team for Sunday at Government Recreation Grounds at the end of the Anacostla bridge at 3 o'clock. Yesterday the Navy Yard team held a long signal drill with eighteen men taking part in the practice under the tutelage of Googh Turn tice under the tutelage of Coach Tur-ner. The Machinists were put through some trick plays in preparation for the contest Sunday.

Manual Training Takes the Opening Game in School Series by 53 to 6.

Tech defeated Eastern yesterday in the opening game of the Scholas-tic League by probably the largest score that will be made in high school eridii. score that will be made in high school gridiron circles this season. It was expected that Teeh would come out on top, but not by such a large score, as the final result shows Tech 53, Eastern 6. Eastern was outplayed in every department of the game. In the first period Tech forced the play at all times and the Factories.
